TEACHER PROFESSIONAL DEVELOPMENT

Teachers who complete one of the programmes can be authorised to deliver Digital Media Achievement Standards in their classrooms, using our quality workbooks at a small additional fee.

Unit Standards – 15323 and 15337

Achievement Standard - 91072

INGREDIENTS

- An internet connected computer lab
- Minimum of 20 students to qualify for the GreenButton Sponsorship

Lifeway College will supply the following

- Teachers to teach the programmes.
- Software – links to all the open source files will be available on our website.

RECIPE

- 1 Return the attached to Lifeway College with a host application form.
- 2 Confirmation from the host school regarding dates and times and possible numbers to be given to Lifeway College.
- 3 Once we receive your application we will send you an MOU. This will need to be signed and then sent back.
- 4 Ensure that all student applications are filled in and sent back to us 2 weeks prior to the course start date.
- 5 Students/schools will receive information packs for the programme. This includes an arrival guide for the first day, course information booklet, promotional dvd, and a letter of programme acceptance.
- 6 An invoice will be sent to your school.
- 7 Once the programme is completed our teachers will then mark all student work. Results will then be given to schools to enter into NZQA as part of the MOU agreement.
- 8 The above will be followed by certificates for your students. Best Served Hot!

COOKING INSTRUCTIONS

- Lifeway College staff will be on site at 8.30am on the first day for registration
- Classes will run from 9 – 4pm, unless prior arrangements with the schools have been made.
- On arrival each student will be given a manual with the programme brief, week timetable with breaks, Moodle exam questions and unit standard outline.
- Each day the students will cover topics that will relate to the Moodle exam, which they are required to complete before the end of the week.
